**NOTE**

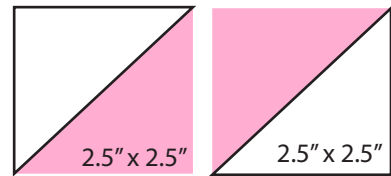

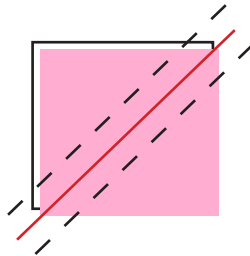

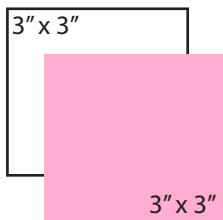

## ASSEMBLY INSTRUCTIONS

Place one white square in the corner, raw edges even, with one 2.5" pink square, as shown. Stitch along the diagonal indicated by the red dotted line. Trim excess beyond the seamline and press white to the side. Repeat on the opposite corner. Make TWO per finished block.

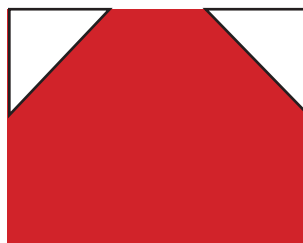

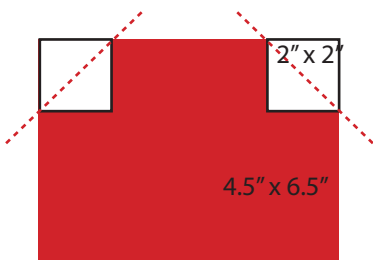

**MAKE TWO**

**MAKE TWO**

Place one pink and one white square right sides together, as shown. Mark a line down the center diagonally, as indicated by the solid red line. Stitch 1/4" to either side of the red line, as shown by the dotted lines. Cut along the red line, then press open. Makes TWO finished half-square triangles. Trim to 2.5" x 2.5", if necessary.

**MAKE TWO**

Using the same technique as the first step above, place two white squares right sides together with each red rectangle, and stitch along the diagonal indicated by the red dotted line. Trim excess beyond the seam and press triangles away from the rectangle. Make TWO.
